MLAHA High Point Program

It is time to re-enroll in the MLAHA High Point Program. Last years results are in the Tailings and will be posted on the website. Come on out and give these folks some competition. It's fun and any event counts, all levels of rider and any age. All you need is a club membership and a registered Arabian/half-Arabian and it doesn't even have to be yours! Entry forms are on the website or contact Margo Seabourn for more information.

Christmas Party 2009

For those who did not attend, our Christmas party was a great success. As usual, we had great food, catered by Randy's Catering of Newcastle. Our year end High Point Awards were given out and we had a very successful raffle with a wide variety of treasures to win. Thanks to Marilyn Hunter, Kathy Newman and Charleene Naughton for the party's success.

Those that did not attend Mother Lode's Christmas party did not hear the moving speech written by Rachel Sznaider and read by her father on her behalf. The following was read: "Rachel would like to thank the MLAHA group for all of their support. She would also like to thank Edie and Shirley for everything they taught her. She really appreciates it and doesn't think she would have come this far without them. She would also like to share a quote with you that she has learned over the years .

She named it "The Bond".

The Bond

"A partnership between human and horse, friend and friend, human being and companion. Having a good partner that moves how you move and thinks how you think. The description of trust between partners, the description between rich and poor, and the description between what is now and what has been.

Whether there is a good day or bad, the bond between you and your horse shall never be forgotten nor broken. It has been said that horses give us the wings we lack to soar into freedom. They give us strength, courage, balance, bravery, beauty, control, speed, friendship, precision, confidence, style, hope, faith, the meaning of teamwork, to learn to take risks, grace, devotion, but most of all they teach us to be one. Live your life and love your horse, they can only give us so much. Never be afraid, stand tall and accomplish the unaccomplished."

Youth News

Because many of our youth members are “aging out”, our youth membership has dwindled. Our youth leader, Mike Moore will be planning a membership drive in the near future. But in the meantime, we will need youth volunteers that will not be showing to help at the FUZZY WUZZY show. Remember, your volunteer time gives you points toward the year end Youth Participation Awards. Contact Mike for more information about joining the Young Riders and volunteering.

2009 YOUTH PARTICIPATION AWARDS

Horse ownership category – **SARAH NEWMAN** (\$100 gift card)

Non-horse category – **AUTUMN MOORE** (3 riding lessons at LBEC)

Remember, this year YOU could be a winner!!!

Finally in closing I would like to offer the Editor’s Message

As you can see there are some changes to the newsletter AND it is very late in distribution. Some of you may not be aware that our wonderful Tailings editor, Kathy Newman has decided to take a long needed break from the business end of MLAHA.

Over the past year I have been assisting Kathy with the Tailings and officially took over as editor at the first of the year. I can tell you that it **IS NOT** an easy job (and my computer totally crashing did not help)! Most of you don’t realize just how much is involved in the production and distribution of a Tailings issue – I know I didn’t. This of course, REALLY makes me appreciate Kathy and all the work she has done to make Tailings a very successful publication over the years. I realize now that I should have appreciated her more WHEN she was doing it.

Some of you “old timers” will remember that I was involved on and off as Tailings editor, asst. editor and advertising manager back in the 1980’s with various newsletter editors, including Stefanie Poole. In those days the newsletter was done by hand with no computer help – times have changed! I am not a computer whiz, so this will be a learning experience for me and you will have to be very patient. I know I will be making a lot of mistakes, so please forgive me.

Please remember, the Tailings can only be as good as you make it; the editor relies on the input from the officers, committee chairmen and members. This is YOUR newsletter, so please feel free to contribute. I would like to eventually have several regular features including a Member Profile, Show News and New Foals.

If you have suggestions, news or even complaints feel free to contact my by email or phone.
