Horse Expo 2013!

by Linda Siegel

The blistering heat on Friday and Saturday didn't seem to keep the crowds away! In fact, on Friday, one vendor commented that he had brought along 500 entry coupons for a prize that he thought would last the three days, and they were already gone with two days left to go. Friday did seem to be the busiest day most likely because people were avoiding Saturday's forecasted heat. But even on Saturday, the crowds continued to come.

The Region 3 booth and breed barn, along with painting an Arabian horse in the kids' park, had a continuing crowd. The booth featured Jennifer Tobie, MLAHA member, and Arabian dressage trainer of the year. Her beautiful pictures were the centerpiece of the booth. The breed demo location was changed this year to a distant location, and Margie Pope had her hands full in the searing heat getting horses and riders to the new location while keeping all cool.

The vendor deals were difficult to find this year, but I bought a great large Eqyss Shampoo and Hydrant Spray for only \$19 from Sheldon Feed, normally the price of each one. And that clothing booth next to us with their 50 - 85% discounts brought a steady crush of people in. And on Sunday, I was packing up the great deals on products from Douglas Ranch Supply when a Horse Expo person scolded me for packing up early - until I told her I was a customer!

It was a hot Expo for the outside barns and equipment displays, as well as the food and beverage vendors and customers.

We are especially thankful to our MLAHA member, Jean Zabriski, who set up her last Expo this year, and launched our Arabian presence at Expo before departing for the Egyptian Event. A lot of details and smooth operations were absent without her steady hand.

----- *Newsflash* -----

MLAHA has reinstated the High Point Program

Some of you remember that our club used to have a High Point program with the year-end results being awarded at our annual Christmas party. We decided to reinstate the program for our members.

Here are a few program highlights

- * We'll be awarding High Point for junior and senior individual riders in any performance category with three junior age groups - 10 & under, 11 through 13 and 14 through 18.
- * The Junior Rider High Point Program is open to riders of ALL horse breeds in addition to Arabians/Half Arabians, but you need to be a youth member of MLAHA (\$10 annual membership fee, see our website to join)
- * Also included are High Point awards for individual horses in multiple halter and performance categories, for both Purebred and Half Arabians.
- * To participate in the program you must be a current member of MLAHA and pay the \$25 High Point entry fee (used to defray the cost of the awards presented).
- * More information about the program, entry forms and show result recording forms will be available on our website soon!

2018 CHAIRPERSON

Dorothee Moss

iceblumoss@att.net

Letter from your editor:

Dear members and friends, this will be my last newsletter. I have decided to take a much needed break and concentrate on some other projects that I've had put on hold. I will continue to support Mother Lode as a member and a volunteer, as before. I will also continue to do the club and breed promotion, because I enjoy meeting people and promoting the Arabian Horse. I am very pleased to announce, starting with the July Tailings, that Marty Counts will be the new newsletter editor. She has designed a great new format that I think everyone will love and I am looking forward to getting my new issue!

I want to thank all of you for the years of support and encouragement and please remember, it is YOU that makes the Tailings great!
